# Visions Forum

**Allison Davis**, Musical Pictionary

*A look into the relationship between music and thoughts.*

**Shawn Gauvain**, Call of Duty: Bringing Out the Soldier in All of Us

*A social commentary about Call of Duty and how it can be viewed as a tool for military recruitment.*

**Brian Hennessy**, Cracking the Code: An Exploration Into Shaking Hands.

*An exploration of the tactile language and meaning delivered through the mundane ritual of shaking hands.*

**Sarah Rummel**, The Gangster's Wife, The Bride, and The One Who Got Away.

*In the world of Quentin Tarantino, the societal rules regarding gender are quite different from those of our society as illustrated by three of his most notorious characters.*

Film festival poster by Jeffery Kalogeros

## Special thanks to

All the student artists, photographers, filmmakers, graphic designers, interactive and motion graphic designers, videographers, and communication theorists who submitted entries for Visions 2011. Thanks to intermediate Graphic Design students for the poster and postcard designs. Thanks to advanced Graphic Design students for the Visions program design. Paper (Hanno Art Silk) for the program was supplied by Lindenmeyr. Thanks to Tim Goldberg from Lindenmeyr for the generous paper donation.
